

**Our Mission**

As the nation's largest donor and volunteer supported mentoring network, we provide children, ages 6 to 18, facing adversity with strong and enduring, professionally supported one-to-one relationships that can change their lives for the better.

When people think of mentoring programs, they think of Big Brothers Big Sisters. As the oldest and most respected youth mentoring organization in Arizona, our programs are designed to be effective, results oriented, and successful. We help kids by matching them with caring adults who can provide friendship and become role models to help them achieve their full potential.

**Give Your Child the Gift of Friendship**

Big Brothers Big Sisters conducts a thorough background check on every volunteer in our mentoring programs and every match is regularly reviewed and supported by a professionally trained Program Specialist.

**Parents are active Partners**

We'll work closely with you because your input is important! Not only do you provide information about your child's strengths and needs, but you'll approve the selection of the Big Sister. Once the match is made, you'll still remain closely involved in many key ways.

**TOGETHER, we create BIG Futures!**  
**Enroll Your Child Today!**
